CAREER SUMMARY

A skilled Chemical and Process Engineer with extensive experience developing industrial processes and designing innovative machinery. Recognized for strong problem-solving abilities and a creative approach to engineering challenges. Focus areas include polymer engineering, environmental engineering, and food and bioengineering. Committed to leveraging technical expertise to optimize operations and promote sustainable innovation within the industry.

WORK EXPERIENCE

Assistant Production Engineer | Samson Rubber Industries (Pvt) Ltd, Rathupaswala Oct 2025 – Present

- Pre-Forming Indicator Development for pre-formers in press section.
- Valve recycling process improvement using wooden strip with hook system.
- Compound colour-code and report displaying system.
- Implement the KAIZEN suggestions collecting system.
- Strip cutter feeding trials handling.

Trainee Chemical & Process Engineer | Silvermill Group, Loluwagoda. Dec 2023 - May 2024

- Designed a coconut oil extraction process from waste coconut milk and optimized resource utilization (30 – 50% coconut milk separation from waste coconut milk lines).
- Developed a coconut de-shelling process using heating and freezing techniques.
- Automated the counting conveyor system by integrating a sensor, reducing manual counting errors.
- Designed and optimized a condensate line system for the DC process dryer, enhancing operational efficiency and reducing downtime.
- Created a sterilized waste coconut milk collecting tank placement drawing.
- Conducted static simulation for the counter conveyor part, ensuring structural integrity.
- Developed the Piping and Instrumentation Diagram (P&ID) for the DC process line.

Business Promotion Trainee | People's Bank, Nittambuwa Branch 2019- 2020

- Collaborated across multiple divisions, including Business Promotion, Loan Recovery, Savings, and Pawning, gaining hands-on experience in banking operations.
- Actively participated in 15+ promotional campaigns and developed strong communication skills.

EDUCATION

B.Sc. Eng. (Hons) in Chemical and Process Engineering | University of Moratuwa 2021-2025

Secondary Education | Bandaranayake College. Gampaha. 2009-2017

(G.C.E. O/L (8A's, 1C) and A/L (3A's) Examinations)

ACADEMIC PROJECTS

- Final Year Research Project: Recycling Multilayer Plastic Waste with Compatibilizer (Three-layer plastic recycling) 2025
- Final Year Project: Iso Propyl Benzene Separator Distillation Column Design (CDP II) 2025
- Isopropylbenzene production plant design (Comprehensive Design Project I) Dec 2024
- Fire tube boiler design (Mini Project) Oct 2023
- Latex glove manufacturing process design (Group) Oct 2023
- Distillation column designing (Guided project) Jul 2023

CERTIFICATIONS

- Data Analytics for Lean Six Sigma | University of Amsterdam (Online) — May 2024
  Data Analytics for Lean Six Sigma Certificate
- Six Sigma Yellow Belt — Dec 2024
  Six Sigma Yellow Belt Certificate
- Six Sigma White Belt — Dec 2024
  Six Sigma White Belt Certificate
- Sustainability Foundations: Core Concepts — Jan 2025
  Sustainability Foundations: Core Concepts Certificate

SKILLS

- Process Engineering
- Food safety and quality
- Time management
- Strong documentation
- Good written communication
- GMP Strategies
- GHP Strategies
- Analytical Skills
- Food manufacturing
- Teamwork
- Solid Works
- Solid Edge
- CAD
- SOP
- Aspen Plus
- Minitab
- Microsoft Office
- Adobe Illustrator

VOLUNTEERING

- EXMO 23' | Department food coordinator and facilitator
- Classical Music Society | Board Member | External affairs coordinator
- Research for You Club | Department of Chemical and Process Engineering | Main graphic designer
- Logo Designer | Department of Chemical & Process Engineering
- Past committee member | Chemical Engineering Student Society

PROFESSIONAL DEVELOPMENT

- Carbon Credit Projects: Evolution, Market Trends, and Opportunities Webinar | Control Union Academy — March 2025
- Waste Water Treatment and Sludge Processing Course | University of Tyumen, Russia — Sep-Dec 2024
- Unlock the Benefits of Life Cycle Assessment Webinar | Control Union Inspections PVT LTD — Oct 2024
- SOP development session | Silvermill Group — Jan 2024
- Stepping Stones' Mentoring Program | Department of Chemical and Process Engineering | University of Moratuwa — 2023
- Career guidance program | INSEE Cement — Dec 2022
- Information Technology (MS-Office) Course | Future World IPS — Apr 2016
- Information Technology (Graphic Designing) Course | Future World IPS — Apr 2016

NON-RELATED REFEREES

Mrs. Udari Perera
Senior Lecturer (Contract),
University of Moratuwa,
Sri Lanka.
